VISITS AND
TASTINGS

2025

A family of winegrowers for three generations,

We practice **organic and biodynamic viticulture** in two appellations :

AOC Saint-Emilion Grand Cru Classé and **AOC Castillon Côtes de Bordeaux**, giving birth to **7 wines** with the identity of their terroirs.

We offer **a range of experiences** where authenticity and care for our visitors are a priority. With our **three educational tours** and **two themed tours**, immerse yourself in our vineyard to discover our savoir-faire.

Each tour ends with a **tasting of our vintages** in our **historic 16th-century cellar**.

No matter the event, we will give you the warmest of welcomes and look forward to sharing with you **the passion and philosophy of the Todeschini family**.

Looking forward to welcoming you,

Famille TODESCHINI
